Certificate

Patent No. 4,959,366

Patented: September 25, 1990

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Peter E. Cross, New York, N.Y.; and Geoffrey N. Thomas, New York, N.Y.

Signed and Sealed this Eleventh Day of May, 1999.
